### **Stephanie, BS, PT, DPT**

Stephanie Martin is a licensed physical therapist who received her B.S. in Exercise Physiology from Boston University and Doctorate of Physical Therapy from Simmons College in 2013. Stephanie has had clinical experience in a number of pediatric care settings including: pediatric intensive care unit, within school systems (specialized and traditional settings), and in pediatric outpatient rehabilitation treating individuals from birth-21 years old. After graduation, Stephanie worked in Boston with adolescent athletes as well as individuals of all ages with a wide range of neurologic conditions and genetic disorders.

### **Stephanie has worked with a variety of diagnoses including, but not limited to, the following:**

Brachial Plexus Injury	Friedreich's Ataxia	Prematurity	Toe Walking
Cerebral Palsy	Hearing Impairments	Seizures	Torticollis
Cognitive Delays	Hypotonia/Hypertonia	Sensory Integration	Traumatic Brain Injury
Developmental Delay	Neurological Disorders	Spinal Cord Injury	Visual Impairments
Down Syndrome	Orthopedic Issues	Stroke	

### **Continuing Education/Experience/In-Services:**

- PNF training for neurologic and orthopedic conditions
- Aquatic Therapy Treatment
- FES bike training for the neurologic population
- Adaptive sports equipment

Stephanie is extremely passionate about education of both the child and family/caregiver to integrate the best treatment options for a child's success. Stephanie is patient, open-minded and believes that each child deserves an individual treatment model to help develop functional movement and growth.
