Jessica, PT, DPT

Jessica received her undergraduate degree from the University of North Carolina at Asheville and her doctorate in physical therapy from the Medical University of South Carolina (MUSC) in 2020.

Jessica has worked with a variety of diagnoses including, but not limited to, the following:

Autism Spectrum Disorder	Down Syndrome	Orthopedic Issues
Attention-Deficit/Hyperactivity Disorder	Genetic Disorders	Prematurity
Cerebral Palsy	Hypotonia/Hypertonia	Seizures
Cognitive Delays	Hydrocephalus	Sensory Integration
Developmental Delays	Hypoxic Ischemic Encephalopathy	Spina Bifida
	Neurological Disorders	Toe Walking
		Visual Impairments

Education/Experience/In-Services:

- Jessica has worked in several settings within pediatrics; including outpatient pediatrics, home health pediatrics, and in the school system.
- She has also had experience working in the NICU and PICU, adult outpatient orthopedics, and adult inpatient rehab during her clinical rotations.
- Jessica received her introductory level A training for Dynamic Movement Intervention (DMI) in February 2023.

Jessica loves working with children with a strong interest in developmental delay and neurological disorders.
