### Kali, PT, DPT

Kali received her undergraduate degree in Kinesiology from the University of Minnesota Twin Cities, and her Doctorate in Physical Therapy from The College of St. Scholastica (CSS) in Duluth, MN in 2021. Following graduation Kali has worked with a wide range of pediatric patients. This includes outpatient pediatrics, inpatient rehab pediatrics, aquatic therapy pediatrics and school-based pediatrics for children primarily birth-8 years old. She is now providing early intervention services for children birth-3 years old in the home-based setting in the Raleigh-Durham area.

#### Kali has worked with a variety of diagnoses including, but not limited to, the following:

Autism Spectrum Disorder	Down Syndrome	Sensory Integration
Arthrogyrosis	Genetic/Trisomy Disorders	Spinal Cord Injury
Brachial Plexus Injury	Hypotonia/Hypertonia	Toe Walking
Cerebral Palsy	Hydrocephalus	Torticollis
Cognitive Delays	Neurological Disorders	Traumatic Brain Injury
Congenital Limb Deficiencies	Orthopedic Issues/Injuries	Visual/Hearing Impairments
Developmental Delays	Prematurity	
	Seizures	

#### Education/Experience/In-Services:

- Roadblocks to natural development
- torticollis
- toe walking
- school-based goals and PT services
- pediatric orthopedics
- pediatric pelvic floor therapy

Kali loves all aspects of pediatric therapy with strong interests in developmental delays, neurodevelopmental disorders, and prematurity.
