Madison, PT, DPT

Madison received her undergraduate degree from University of Dayton and her Doctorate in Physical Therapy from Duke University School of Medicine in 2023.

Madison has worked in a variety of settings including outpatient pediatrics, outpatient orthopedics at the VA, and adult inpatient acute care. She has also had experience working with children with Autism, serving in a teaching role at an ABA center prior to attending physical therapy school. While at Duke University, she was able to take part in an intensive adult neuro camp, getting to explore various aspects to patient care within the neuro population.

Madison has worked with a variety of diagnoses including, but not limited to, the following:

| | | |
|----------------------|----------------------|------------------------|
| ADHD | Down Syndrome | Sensory Integration |
| Autism | Genetic Disorders | Traumatic Brain Injury |
| Cerebral Palsy | Hypotonia/Hypertonia | Visual Impairments |
| Cognitive Delays | Hydrocephalus | |
| Developmental Delays | Prematurity | |

Education/Experience/In-Services:

- She currently serves as a coach for TOPSoccer, an all-inclusive soccer program for children with various diagnoses.

Madison loves all aspects of pediatric therapy with strong interests in neurodevelopmental disorders, cerebral palsy, and Autism.
