### Allison, DPT

Allison is a licensed physical therapist who received her BS in Athletic Training from Methodist University and Doctorate of Physical Therapy from Elon University in 2013. During clinical rotations, she gained experience in a variety of settings including adult outpatient and inpatient, acute care, NICU and PICU. Upon graduation, she worked in a skilled nursing facility treating geriatric patients, working closely with nursing staff and caregivers. She then worked in a pediatric outpatient clinic working with patients birth to 20 years old. She has experience treating patients in clinic and at home, in daycares and school settings. She has provided care in the Sandhills area and is now able to serve Wake and Johnston counties and surrounding areas.

#### Allison has worked with a variety of diagnoses including, but not limited to, the following:

Arthrogyrosis	Dwarfism	Spina Bifida/Tethered Cord
Autism	Genetic/Trisomy Disorders	Toe Walking
Brachial Plexus Injury	Hypotonia/Hypertonia	Torticollis
Cerebral Palsy	Hydrocephalus	Traumatic Brain Injury
Cognitive Delays	Neurological Disorders	Visual/Hearing
Congenital Limb Deficiencies	Orthopedic Issues	Impairments
Developmental Delay	Prematurity	
Down Syndrome	Sensory Integration	

Allison is a compassionate and patient therapist who believes that when provided with resources and tools, patients, their families and caregivers can improve functional movement, independence and quality of life for all involved.
