### Meghan, OTR/L

Meghan received her undergraduate degree in Exceptional Learners (Special Education Studies) and doctoral degree in occupational therapy from the University of Mary, Bismarck North Dakota in 2024. During her education, she completed clinical rotations in South Dakota, North Dakota, Texas, and Peru, gaining valuable experience working with diverse populations, diagnoses, and treating those with differing abilities.

#### Meghan has worked with a variety of diagnoses including, but not limited to, the following:

ADHD	Down Syndrome	Hydrocephalus
Autism	Feeding Difficulties	Prematurity
Cerebral Palsy	Genetic Disorders	Sensory Integration
Developmental Delay	Hypotonia/Hypertonia	Traumatic Brain Injury

Meghan has experience in various settings, including outpatient pediatrics, adult outpatient rehab, and long-term care/skilled nursing. While completing her education, she worked as a respite care provider for six years, providing respite to families of children with varying behavioral and medical needs.

Meghan loves all aspects of pediatric therapy and is passionate about child advocacy and helping families achieve their goals.
