---

### **Bridget, PT, DPT, C/NDT**

Bridget received her undergraduate degree from West Chester University in 2014 and her doctorate in physical therapy from Widener University in 2019.

#### **Bridget has worked with a variety of diagnoses including, but not limited to, the following:**

Autism	Dwarfism	Plagiocephaly
Brachial Plexus Injury	Genetic Disorders	Prematurity
Cancer	Hydrocephalus	Rett Syndrome
Cerebral Palsy	Hypotonia/Hypertonia	Seizure Disorders
Congenital Limb Deformities	Hypoxic Ischemic	Spinal Cord Injury
Developmental Delays	Encephalopathy	Toe Walking
Down Syndrome	Orthopedic Issues	Torticollis

#### **Continuing Education/Experience/In-Services:**

- Bridget has worked in a variety of settings including outpatient pediatrics, early intervention, preschool 3-5 years and some acute pediatrics.
- She traveled for 3.5 years to several states working in outpatient pediatrics during the COVID-19 pandemic.
- She received her first introduction and mentorship in NDTA for children with cerebral palsy and neuromuscular disorders and decided to pursue her certification.
- Bridget received her certification of Neurodevelopmental treatment for children with Cerebral Palsy and Neuromuscular disorders in October of 2024.

Bridget loves all aspects of pediatric therapy with strong interests in neurodevelopmental disorders, cerebral palsy, and developmental disorders.
